## TRANSPORTATION

Air transportation arrangements should be made with the carrier of your choice. It is recommended that you make your reservations at least 30 days in advance in order to receive the lowest possible fares, as December is high travel season for Florida.

Budget Rent A Car System has been chosen as your ground transportation company for the meeting, offering group rates at all its Florida locations one week before and one week after the meeting dates. For auto reservations, you or your travel agent should call (800) 772-3773 or make reservations online at [www.budget.com](http://www.budget.com). In either case, please use the CSPA convention discount number U061050.
